OUR BRANDS

Ark has over 80 years of experience manufacturing quality knives and replacement blades at competitive prices. Made in Turkey.

Orbis products are heavy duty and made for long use, while featuring timeless classical and individual design. Made in Germany.

Boa is a global innovator and aims to design products that solve everyday problems - from within a workshop or garage, to DIY and homelife. Made in England.

Osca tools include hammers, club hammers, sledge hammers, mallets, chisels. Made of top quality materials for their durability, reliability, and safety. Made in Italy.

Tomé Fêreira manufactures a broad program of files and rasps, as well as some new metallurgical products with the same high performance quality. Made in Portugal.

Ratch-cut has been the industry leader in tube-cutters with its "ratchet motion" makes cutting in tight spaces easier. Made in Canada

Fisher produces a range of quality measuring tools that are competitively-priced around the world. Made in England.

A. Richard drywall saw, putty knives and other hand tools are practical, durable, designed for ease of use and comfort and environmentally friendly. Made in Canada.

Grip-on is an innovative designer and manufacturer of high quality locking pliers and clamps, offering superior clamping and work holding solutions. Made in Spain.

Rennsteig is a manufacturer of high quality screw extractors, cold chisels, punches, as well as cutting, crimping and stripping tools. Made in Germany.

Hazet is a leader in the manufacturing of tools geared toward the automotive market, including torque wrenches, tools trolleys and much more. Made in Germany.

Schroder's high quality, ergonomic tool line includes screwdrivers, screwdriver bits, ratcheting tap wrenches, screw extractors, hand tool sets and many more. Made in Germany.

Irega exclusively manufactures adjustable wrenches with quality, functionality, ergonomics, design, and environmental protection as the criteria. Made in Spain.

Thor Hammers specializes in the manufacturing of top quality, soft faced hammers and mallets in the tradition of excellence. Made in England.

Knipex manufactures a large program of high quality, ergonomic pliers that are enjoyed and utilized across the world today. Made in Germany.

Thread Wizard cleans external threads with an enclosed wire wheel which removes all grime, dirt, surface rust and fouling and maintains safety for the user. Made in the USA.

Ochsenkopf stands for perfection and safety - using the best steel with the best cut and forged to a maximum quality in the Remscheid factory. Made in Germany.

Virax designs and manufactures high performance, ergonomic cutting tools by exceeding expectations in terms of performance, reliability, ergonomics and design. Made in France.

Lutz File & Tool Company has been serving the needs of a wide range of industries including hand tools and much more. Made in the USA.

Wera do not believe that tools have reached their ultimate stage of development and are always searching for new and different ideas. Made in Germany.

Nes specializes in offering tools for repairing both external and internal damaged threads, replacing hundreds of taps and dies. No need for calibration, and repairs standard or metric threads. Made in Israel.

Witte is recognized as one of the leading manufacturers of screwdrivers and screwdriver bits; they offer a range of driving tools in different triangular handle shapes which are more ergonomic than traditional handles. Made in Germany.

PLEASE VISIT WWW.ANGLOAMERICANTOOLS.COM FOR COMPLETE LISTING.

TERMS & CONDITIONS

POLICY

All products contained within this price list, which are sold by Anglo American Enterprises Corporation dba Anglo American Tools, are distributed through traditional distributor, dealers, online outlets and leading hand tool resellers.

PRICES

The prices as shown in our price list in the "LIST" column are based upon suggested retail/list prices. While we do everything possible to honor these published prices, we reserve the right to dispatch at prices ruling at date of shipment, particularly when we incur unexpected manufacturer's increases or when international exchange rates change dramatically.

DELIVERY

F.O.B. our Somerdale, NJ warehouse. Full freight allowance is given on net orders of \$1000.00. Net orders over \$1000.00 for outside the contiguous U.S.A. will be billed at the difference between 2nd Day Air rates and ground rates to nearest port on the continent.

MINIMUM ORDER

Our minimum order value is \$50.00. Any orders under that value will be billed at the minimum \$50 value.

STANDARD PACK

All orders received for non-standard quantities of files (6 or 12) or hacksaw blades (10) or Ark blades (10) will be adjusted to shelf pack qty.

SPECIAL ORDERS

We represent many leading factories and would welcome the opportunity to quote special orders. An order for non-standard items may not be canceled once it has been accepted.

TERMS

2% / 10, net 30: If payment is made within 10 days, 2% may be deducted from the net invoiced value of goods excluding any freight charges. Net is due within 30 days. No unearned discounts will be allowed. Finance charges will be applied to overdue accounts.

RETURN OF GOODS

Products returned without our permission will be refused. Authorization will be given for the return of any goods reported as being defective under our warranty conditions, damaged in transit or subject to a shipping error. If the claim is accepted, we will replace or credit as required.

A 10% restocking charge will be applied to any goods returned:

- Without an accompanying order of equal value
- Not in the original packaging

No credit adjustment will be made for merchandise:

- Not in salable condition
- Bearing price stickers or similar labels
- Supplied more than two years ago

Call our Customer Service Department for a R.G.A. # which should be clearly marked on the shipping cartons and documents.

TRANSIT LOSSES

Any claims for shortages or damages will only be processed in accordance with instructions outlined on the packing list and if advised within 5 days of receipt of merchandise.

RESPONSIBILITY

We are responsible for the value of the defective product or material sent in error.

QTY DISCOUNTS

Details upon request from our sales representatives or corporate office.

UPC INFORMATION

UPC numbers can be supplied to our customers for the products which we stock. Please contact us for the UPC number for any of our products.

SAFETY TIPS AND WARNINGS

ALWAYS

- Wear safety glasses when cutting, striking, etc.
- Discard damaged or worn tools
- Use only specially designed tools near heat and flame
- Inspect all tools, including Safety Insulated tools, and replace *when worn or damaged*

NEVER

- Use any tool for any function beyond its designed purpose
- Start a project on electrical equipment before ensuring the *circuit is switched off*
- Utilize tools of incorrect size or fit or beyond their capacity
- Use handle extensions or "cheater bars" on a tool to increase *its leverage*

WARRANTY

All Anglo American Tools' products are manufactured in sophisticated, highly specialized factories with the finest materials available, to the highest possible quality standards and are warranted to be free from defects in materials and workmanship. At its' option, Anglo American Tools will replace, repair or refund the purchase price of any product which fails to comply with this warranty *subject to normal use and lack of abuse*.

Under no circumstances shall Anglo American Tools be liable for incidental or consequential damages.

WARRANTY IMPLEMENTATION

Tools returned broken (in two or more pieces) which are devoid of any signs of abuse or mistreatment will normally be replaced at factory expense. Any other tools subject to warranty claim are likely to be excessively worn or abused and no refund or replacement commitment will be authorized prior to factory inspection and approval.

WARRANTY EXCLUSIONS

Items returned in the following conditions are subject to warranty exclusion:

- Deformed shape from load abuse or alteration
- Tools showing signs of "hammering" damage
- Excessive wear and tear beyond reasonable service life
- Damage from heat or welding
- Damage from cutting edges on hardened materials
- Damage from arcing with hot wires
- Worn PVC grips and handles
- Abuse caused from incorrect use or application
